

NORTHFIELD ANIMAL REGISTRATION PROGRAM

Residents who own a dog(s) or cat(s) are required to register their dog(s) or cat(s) for a one time fee of \$25.00 for each animal. Once an animal has been registered with the Village, residents are NOT required to renew this registration. However, please note that state and county laws still require that dogs and cats have current rabies vaccinations and tags.

After the registration has been processed, a durable animal identification tag will be issued. This tag must be attached to the animal's collar at all times. The registration tag will have the animal's name, the owner's address and telephone number, and a Village registration number. The registration tag will provide protection for a pet in the event that it becomes lost and will enable the police or someone else to return a lost pet to its proper owner.

Below is a registration form to be completed for your dog(s) or cat(s). The Village also requires registration if you own a horse. Please allow at least 2 to 3 weeks for processing.
