

## **Willow Road – Where is this Project and How to find Out the Latest Information**

The Village is committed to keeping Northfield residents and businesses updated on what is happening regarding Willow Road with information on its Traffic and Transportation meetings as well as information from IDOT. You can stay informed by clicking on the box "Keeping Up On Willow Road" on this home page. In addition, IDOT has set up a direct website, <http://www.willowroadfuture.org/>, where they are providing an explanation of Context Sensitive Solutions, the process, as well as IDOT's Community Advisory Group (CAG) meeting dates, plans, training materials and communications with the communities impacted by the study (Northfield, Glenview and Northbrook). Take a few moments to find out what is going on with Willow Road and to be part of the process.
