Dear Plumbing/Sewer Contractor:

In order for us to complete your file, the following items listed below must be submitted:

- 1) **ILLINOIS GENERAL ASSEMBLY – HBO 930 – A letter of intent shall be included with all plumbing permit applications. The letter shall be written on the licensed plumber of record's business stationery and shall include the license holder's signature and, if the license holder is incorporated, the license holder's corporate seal. If the license holder is not incorporated, the letter must be notarized.**
- 2) Copy of your current Plumbers License.
- 3) Certificate of Insurance (Please list the Village of Northfield as additional insured).
- 4) Copy of the State of Illinois Registration License.
- 5) Total cost of inside plumbing.
- 6) Plumbing Permit application completely filled out (original blue copy only). Must have licensed plumber/sewer contractor signature.

If you have any questions, please call (847) 784-3554.

Sincerely,

Larry Murrin
Plumbing Inspector
Village of Northfield
Illinois License #058-132614

Please note: If construction will affect trees protected by the Village Tree Preservation and Protection Ordinance, an Application for a Tree Permit is required. Trees in the required front and side yard setback of single family residences are protected. Trees on the public right-of-way and all trees in non-residential, multi-family and planned development properties are protected.

All connections to the Village main line sewer shall be by WYE connection and shall attach to the pipe using a non-shear coupling (Fernco "Strong Back" or approved equal) manufactured specifically for the pipe materials being connected. *(added 12/16/10)*
