

**REPORT OF PROCEEDINGS
OF THE
REGULAR BOARD MEETING OF THE BOARD OF TRUSTEES
OF THE VILLAGE OF NORTHFIELD
TUESDAY, JANUARY 19, 2021 - 7:00 p.m.**

As provided for by public notice, the regular monthly meeting of the Board of Trustees of the Village of Northfield convened at 7:00 p.m. on Tuesday, January 19, 2021. The meeting was held remotely via Zoom due to the COVID-19 crisis. President Frazier called the meeting to order and asked the Clerk to call the roll.

PRESENT: President Joan Frazier

 Trustees Charles Orth
 Todd Fowler
 John Goodwin
 Greg Lungmus
 Tom Whittaker
 Tom Terrill

ABSENT:

ALSO PRESENT: Attorney Mallory Milluzzi
 Attorney Buzz Hill

- I. Consent Agenda Items: Village President asked the Clerk to read the Consent Agenda items into the record. Those were reported as follows:
1. Approve the Report of Proceedings from the December 1, 2020 Village Board meeting.
 2. Bills and Disbursements from Bills & Disbursements from November 1, 2020 to December 31, 2020 in the amount of **\$ 2,503,517.74**
 3. Annual Appointments:
 - A. Approve a resolution appointing Village Manager Stacy Sigman as Village Clerk for 2021.
 - B. Approve a resolution appointing Executive Assistant Holly Fabbri as Deputy Village Clerk for 2021.
 - C. Approve a resolution appointing Finance Director Kyle Cratty as Treasurer for 2021.
 4. Approval of an Indemnification Agreement Ordinance with Cook County for 2021.
 5. Approval of the semi-annual placement of Closed Session minutes from the 6:23 p.m. meeting on September 17, 2019 into the Open Session Report of Proceedings book.

6. Approval of the appointment of Ron Cohen to the Zoning Board of Appeals to fill the unexpired term, ending September 1, 2021.

7. Approval of an IDOT resolution for the maintenance of streets and highways for FY2021-22 and FY 2022-23.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

Trustee Fowler made a motion, seconded by Trustee Terrill, to approve Consent Agenda items 1 through 7.

Upon the following roll call vote, a motion to approve Consent Agenda items 1 through 7 was approved.

CONSIDERATION OF AN ORDINANCE AMENDING THE VILLAGE CODE TO ACCOMMODATE ADULT-USE CANNABIS DISPENSARIES AND TO ESTABLISH CERTAIN REGULATIONS FOR THIS TYPE OF BUSINESS.

Trustee Fowler made a motion, seconded by Trustee Goodwin to approve an ordinance amending the Village Code to accommodate adult-use use cannabis dispensaries and to establish certain regulations for this type of business.

Community Development Director, Steve Gutierrez, stated at the October 2020 meeting the Village Board directed staff and Village Attorney Milluzzi to draft Village Code text amendments in order to accommodate adult-use cannabis dispensaries as a special use in our B1-Community Commercial District along Waukegan Road and in our O/R-Office/Research District along Frontage Road and Central Avenue and to impose a 3% tax on retail cannabis sales.

A hearing on the attached text amendments was held by the Plan & Zoning Commission on January 4, 2021. The Plan & Zoning Commission voted 7-2 to recommend their approval of the proposed language with one minor change. They wished to remove hospitals from the list of sensitive uses that would be subject to a minimum distance requirement. The draft ordinance requires a minimum distance of 500' between an adult-use dispensary and this list of sensitive uses. This list is separate and apart from the 1,500' distance requirement between each adult-use cannabis dispensary. The draft ordinance also covers other cannabis regulations, such as registration requirements and some police enforcement. No public comments were received before or during the hearing.

The Village Board noted that this issue has been studied very carefully and pointed out that there has been a lack of problems generated by existing dispensaries in neighboring communities and the potential tax revenues a dispensary could generate.

President Frazier indicated that VM Sigman said that she had attached written comments on this matter from the North Shore Coalition for Drug-Free Communities. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve an ordinance amending the amending the Village Code to accommodate adult-use use cannabis dispensaries and to establish certain regulations for this type of business.

CONSIDERATION OF AN ORDINANCE AMENDING CHAPTER 5 (REVENUE, MUNICIPAL TAXES) OF THE NORTHFIELD VILLAGE CODE REGARDING THE IMPOSITION OF A MUNICIPAL CANNABIS RETAILERS' OCCUPATION TAX CANNABIS ORDINANCE.

Trustee Whittaker made a motion, seconded by Trustee Fowler to approve an ordinance amending Chapter 5 (Revenue, Municipal Taxes) of the Northfield Village Code regarding the Imposition of a Municipal Cannabis Retailers' Occupation Tax Cannabis ordinance.

Village Attorney Milluzzi, noted that as part of the legislation associated with the Cannabis Regulation and Tax Act, a new Section 8-11-23 of the Illinois Municipal Code (65 ILCS 5/8-11-22) was created, authorizing imposition by municipalities of a municipal cannabis retailers' occupation tax at a rate not to exceed three percent (3%) of the gross receipts of cannabis sold in a municipality on or after January 1, 2020, so long as the municipality permits the retail sale of cannabis. However, retail sales made under the Illinois Compassionate Use of Medical Cannabis Program Act (410 ILCS 130/1, et seq.) are not included in the tax. Since the Village Board is planning to authorize the retail sale of cannabis within the Village, it is allowed to impose the municipal cannabis retailers' occupation tax. The proposed tax rate of three percent (3%) was the rate directed by the Village Board.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve an ordinance amending Chapter 5 (Revenue, Municipal Taxes) of the Northfield Village Code regarding the Imposition of a Municipal Cannabis Retailers' Occupation Tax Cannabis ordinance.

CONSIDERATION OF A SPECIAL USE ORDINANCE FOR THE OPERATION OF A MEDICAL OFFICE BY UNITED VEIN CENTERS LOCATED AT 1622 WILLOW ROAD.

Trustee Goodwin made a motion, seconded by Trustee Orth to approve a Special Use ordinance to allow for the operation of a medical office by United Vein Centers at 1622 Willow Road.

Community Development Director Gutierrez reported that the United Vein Centers was requesting a Special Use to allow a vein care clinic on the first level of the office building at 1622 Willow Road. He said the clinic would only be open during regular business hours, Monday through Friday. He also said they met the Zoning Code's off-street parking requirement. He reported that on January 4, 2021 the Plan & Zoning Commission voted unanimously to approve the proposed special use.

Richard Silverstein introduced himself as the property owner and provided an overview of the proposed tenancy and answered the Village Board's questions.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve a Special Use ordinance to allow for the operation of a medical office by United Vein Centers at 1622 Willow Road.

CONSIDERATION OF A REQUEST FOR APPROVAL OF AN ORDINANCE GRANTING THE PRELIMINARY AND FINAL PLAT OF RE-SUBDIVISION FOR THE CHURCH OF ST JAMES SUBDIVISION, TO ALLOW FOR THE CONSOLIDATION OF LOTS AT 500 AND 550 SUNSET RIDGE ROAD.

Trustee Fowler made a motion, seconded by Trustee Goodwin to approve an ordinance granting the Preliminary and Final Plat of Re-Subdivision for The Church of St. James Subdivision, to allow for the consolidation of lots at 500 and 550 Sunset Ridge Road.

Community Development Director Gutierrez reported that the Episcopal Church of St. James the Less is seeking approval of a preliminary and final plat of re-subdivision to allow for the consolidation of their two existing lots located at 500 Sunset Ridge Road and 550 Sunset Ridge Road into one lot. He reported that on January 4, 2021 the Plan & Zoning Commission voted unanimously to approve the proposed preliminary and final plat of re-subdivision.

Reverend Lisa Senuta, the Church Rector, indicated the Church wished to build a shed on the southern lot and in order to do so they must consolidate the lots. She answered questions from the Village Board.

President Frazier indicated that VM Sigman said there were no written comments on this matter and asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve an ordinance granting the Preliminary and Final Plat of Re-Subdivision for The Church of St. James Subdivision, to allow for the consolidation of lots at 500 and 550 Sunset Ridge Road.

CONSIDERATION OF A CONTRACT AWARD TO BAKER TILLY FOR AUDITING SERVICES FOR FISCAL YEARS 2021-2025 IN AN AMOUNT NOT TO EXCEED \$161,850.

Trustee Terrill made a motion, seconded by Trustee Goodwin, to approve a motion to approve a contract award to Baker Tilly for auditing services for Fiscal Years 2021-2025 in an amount not to exceed \$161,850.

Finance Director Cratty, said the Village had used the firm of Lauterbach and Amen (L&A) for auditing services for over 10 years. However, now that we contract with them for Finance Director Services, they cannot continue in that role. On November 11, 2020, a Request for Proposal was issued for auditing services. Responses were due on December 4, 2020, and two proposals were received. Responses were submitted by Sikich Government Services and Baker Tilly. Staff reviewed the proposals for completeness and responsiveness to the requirements of the RFP.

Both firms' proposals fully met the requirements laid out in the RFP and the cost proposal from each firm was almost identical over the proposed five-year term of the agreement.

Sikich's costs were proposed at \$30,500 in year one and escalated to \$34,375 in year five. Baker Tilly's costs were also \$30,500 in year one and escalated to \$34,300 in year five. Both firms have extensive experience working with Illinois cities and villages and come with strong client recommendations. Along with staff, the RFP responses were reviewed by the senior staff at L&A.

The team is recommending that the FY2021-25 auditor contract be awarded to Baker Tilly. That recommendation is based on the consistency of practice that Baker Tilly will bring to the audit and the modest cost savings. The total five-year contract cost is \$161,850. However, the Village has the right to cancel the agreement annually, if the firm does not meet the Board's expectations.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve a contract award to Baker Tilly for auditing services for Fiscal Years 2021-2025 in an amount not to exceed \$161,850.

CONSIDERATION OF AN INTERGOVERNMENTAL AGREEMENT WITH THE VILLAGE OF WINNETKA FOR FIRE TRAINING USAGE AND MAINTENANCE.

Trustee Whittaker made a motion, seconded by Trustee Orth to approve a request for an Intergovernmental Agreement with the Winnetka Fire Training Tower.

Chief Nystrand said that for decades, the Winnetka Fire Department has maintained and operated a live-fire training tower at 1390 Willow Road in Winnetka. Throughout this time, the Northfield Fire-Rescue Department has utilized this facility and participated in live-fire training exercises and drills alongside Winnetka, Wilmette, and Glencoe. Winnetka has never charged an annual cost for this service but, we have in the past, contributed to minor facility repairs.

The existing facility is currently in need of some more extensive repairs totaling over \$170,000, to keep the tower operational. The Village of Winnetka is seeking to enter into Intergovernmental Agreements with their mutual-aid municipalities to share those repair costs.

In exchange for a \$25,000 contribution (payable over three years) for repairs, Northfield would gain additional access to the tower. Through this enhanced access, our fire department

could increase the frequency and quality of our fire ground training to ensure our personnel are prepared for both Northfield specific and multiple company incidents.

If approved, the \$8,400/year contribution would be included in our FY2021/22, 22/23, and 23/24 budgets and paid for through our Foreign Fire Insurance Fund.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve an Intergovernmental Agreement with the Village of Winnetka for the fire training usage and maintenance.

CONSIDERATION OF AN INTERGOVERNMENTAL AGREEMENT FOR THE PROVISION OF SNOW REMOVAL PERSONNEL TO RESPOND TO SNOW EMERGENCIES DURING THE COVID-19 PANDEMIC.

Trustee Goodwin made a motion, seconded by Trustee Lungmus to approve a request for an Intergovernmental Agreement for the provision of snow removal personnel to respond to snow emergencies during the COVID-19 pandemic.

Chief Nystrand noted that the Northfield Public Works Department, along with public works teams from the Glencoe, Kenilworth, Lincolnwood, Northbrook, Skokie, Wilmette, and Evanston began discussions this fall on the formation of a mutual aid agreement to provide snow removal support services to help each other if employees became unavailable to perform those duties, due to COVID-19.

Working together with an attorney from Elrod Friedman LLP, an Intergovernmental Agreement (IGA) was developed so that a municipality might request snow removal personnel and equipment to assist with providing snow removal services when their own Public Works staff is unable to fully cover these functions due to COVID-19. The IGA allows flexibility for both the requesting party and providing party. Participation does not obligate a municipality to respond.

The IGA requires the requesting municipality to reimburse the providing party for all personnel and material costs and that insurance is provided consistent with Intergovernmental Risk Management Agency (IRMA) recommendations.

If approved, the term of the IGA will commence upon the execution of the Agreement by all parties and terminate on May 1, 2021 but could be extended into next year, if necessary.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve an Intergovernmental Agreement for the provision of snow removal personnel to respond to snow emergencies during the COVID-19 pandemic.

CONSIDERATION OF A MOTION TO APPROVE AMENDMENTS TO COMPREHENSIVE CODE CHAPTERS 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, APPENDIX D OF THE VILLAGE CODE.

Trustee Whittaker made a motion, seconded by Trustee Fowler to approve a request to approve amendments to Comprehensive Code Chapters 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, APPENDIX D of the Village Code.

Attorney Hill stated that over the past seven months, Village Manager Sigman and he had undertaken a comprehensive review of the Village Code to ensure it reflected the most current laws, practices, policies, and references. The work included a detailed review of Chapters 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, and Appendix D. In addition to the staff updates, each chapter was reviewed in detail by a Board member.

President Frazier indicated that VM Sigman said there were no written comments on this matter. She then asked if anyone listening electronically wanted to comment.

President Frazier requested a roll call vote to approve amendments to Comprehensive Code Chapters 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, and APPENDIX D of the Village Code.

EXECUTION OF A 10TH STATE OF EMERGENCY DECLARATION, DUE TO COVID-19, IN THE VILLAGE OF NORTHFIELD UNTIL FEBRUARY 16, 2021

President Frazier said “Based on the Governor’s executive orders and the continued COVID-19 crisis, I plan to execute a State of Emergency Declaration for the Village of Northfield tonight and monthly through the end of the year, unless the COVID situation changes dramatically for the better. This new declaration will remain in effect through the February 16, 2021 Village Board meeting, unless I am able to repeal it earlier. Are there any Board members who wish to comment on this action? Will the Clerk please administer the oath?”

Village Clerk Sigman read the oath: “President Frazier, do you solemnly swear that this is your declaration of emergency in your capacity as the Village President of the Village of Northfield and that the matters upon which you base this declaration are to the best of your knowledge, true and correct.” President Frazier said, “I do.”

PUBLIC COMMENT

None.

Department Updates

Administration

VM Sigman reported that effective January 19, 2021, Cook County moved from Tier 3 to Tier 2 of Illinois’ coronavirus mitigation measures. She also, thanked Deputy Police Chief McCulloh for the exceptional job he has done as Acting Police Chief, while Chief Lustig has been out on medical leave.

Community Development Department & Building Department

Community Director Gutierrez reported that on February 8, the Architectural Commission will review a new sign for the new owner and occupant of the office building at 423 Central. He anticipated receiving Plan & Zoning Commission applications from 1) the owner of 510 Briar who is seeking a small expansion of existing oversized garages that he received a special use for several years ago and 2) the owner of building at 1757 Orchard and operator of Metamorphosis at the same location, who wishes to expand her salon services into the space vacated by Northview Bank & Trust.

Finance Department

Finance Director Cratty reported that revenues were down \$192,923 due to the COVID pandemic. However, staff has done a good job with their expenditures and expenses were down more than the drop in revenue at \$295,247. Staff will continue to monitor this through the rest of the fiscal year and during the budget process. He also noted that the police pension funds return on investment rate was currently at 16.24%, which was making up for some of the losses last fiscal year.

Fire-Rescue & Public Works Departments

Chief Nystrand reported that from December 7 to January 18, the Fire-Rescue Department responded to 123 calls for service. On December 23rd, Squad 29 responded to a fire in Evanston. On December 25, #2901 responded to a change of quarters for North Maine. On December 31, #2901 responded to the change of quarters to Highland Park. On January 14, Squad 29 responded to a fire in Evanston. On January 13, 14, and 15, Red Center held a training class for our members at our Station. COVID 19 continues to occupy our days. Staff is working with our neighbors on COVID issues, as well as a possible Vaccination plan. Staff continues to work with MABAS Division 3 and MABAS IL on COVID issues. All eligible members of the department have already received the vaccine over the last couple of weeks. He also reported that in Public Works crews have been out salting and plowing over December and January but there have been no major snow events yet this year. Crews started to remove holiday lights this week and staff continued to do JULIE locates.

Police Department

Deputy Police Chief McCulloh reported that Chief Lustig is feeling stronger every day and hopes to return soon. The Police Department received over 1200 calls for service/incidents YTD, with 43 case reports taken; 22 of which were identity theft reports, 8 arrests YTD, including DUI, possession of cannabis, identity theft, excessive speeding, and a suspended driver's license. The officer injured on duty on October 27, 2020, has still not returned to work, but continues to recover and hopefully will return soon. David Harper, a Northfield resident, was hired as a part-time crossing guard and will start training on Wednesday, January 20, 2021, to cover the Willow/Wagner school crossings. Lastly he indicated the Department has been working with Kyle Cratty on the FY21-22 budget.

ADJOURNMENT

There being no further discussion or issues to come before the Board, Trustee Orth made a motion, seconded by Trustee Fowler to adjourn the meeting and go into closed session to approve Closed Session meeting minutes from September 15, 2020 and January 4, 2021, pursuant to 5 ILCS 120/2(c)(21) and to discuss the employment, compensation, and performance of specific employees pursuant to 5 ILCS 120/2(c)(1).

Upon the following roll call vote, the motion was approved.

January 18, 2021

Dear Ms. Stacy Sigman (Village Manager),

The North Shore Coalition for Drug-Free Communities (NSCDFC) is a federally recognized and funded substance use prevention coalition who utilizes evidenced-based research to reduce the use of e-cigarettes, alcohol, marijuana, and other substances among youth in the communities of New Trier Township, consisting of; Glencoe, Glenview, Kenilworth, Northbrook, Northfield, Wilmette, and Winnetka.

On behalf of our coalition, we are asking that you consider the impact that allowing cannabis dispensaries in our community will have on our youth and our community as a whole. While we cannot change that cannabis has been legalized for adults to use recreationally in Illinois for over a year now, we do have the ability to set forth policies that promote the overall health and well-being of our community, especially for our youth.

Recent results from the National Survey on Drug Use and Health showed that among states in which cannabis has been legalized, youth cannabis use rates continue to increase while in non-legal states rates are either remaining steady or have decreased. Since we can no longer talk about legalization in Illinois we must then look at the commercialization of cannabis in Northfield.

It is understandably hard to ignore the monetary attractiveness in which neighboring communities may be experiencing by allowing cannabis dispensaries; however, the ultimate price of our youth's mental health, physical health and brain development should be worth much more to us. Currently, our youth are at a great disadvantage when it comes to the risk of engaging in cannabis use and having a local dispensary will only increase that risk.

According to our local data, our students experience mental health challenges which includes depression, anxiety and stress. Over 33% of our high school students have seen a mental health professional in the past year and the data also shows that students who experience mental health challenges have subsequent higher substance use, including cannabis. This is especially important now, because national research has shown an overall decline in youth mental health and increase in substance use because of COVID-19, which is likely true for our own local youth. Therefore our youth not only have to cope with mental health challenges but they need to navigate the messages in which legalization and commercialization of cannabis have, which include a decrease in perception of risk and an increase in community acceptability and accessibility. However, with all of the risk factors our youth are currently experiencing, they have had the protection of their community by not having a neighborhood dispensary and increased access to cannabis.

Research also shows that youth who live near dispensaries are more likely to have favorable views of cannabis use and an increased perception of social acceptance and lowered perception of risk associated with use. Also, adolescents who report greater exposure to cannabis advertising are more likely to report having used cannabis in the past 30 days and are more likely to report that they expect to use cannabis during the next six months.

In order to support our communities and youth, we need to utilize evidenced-based and effective strategies for prevention. This includes strategies that "focus on the social, cultural, political and economic environment that youth encounter in their daily lives. The messages youth receive in

their everyday community in terms of how a legal drug is made available and marketed are far more powerful than any countervailing messages they hear from parents, teachers and health officials.”

As previously noted in our 2019 statement to the Village which still holds true: Environments are shaped by policy, which can be legislative (e.g. laws and regulations), institutional (e.g. company and school) and informal (neighborhood watch programs). Policies are therefore an integral part of any comprehensive drug prevention strategy.

Some examples include:

- Strict controls on commercial sales and furnishings to youth, focusing primarily on adult providers through well-funded compliance check programs;
- Limitations on the sale of products that are attractive to young people or put them at heightened risk of harm;
- Price controls through fees and taxes to maintain relatively high prices over time, although not too high to foster illegal production and sale, with revenues dedicated to compliance, implementation, enforcement and prevention;
- Restrictions on the number, type, location, and sale practices of cannabis retail outlets; and particular attention to product quality, environmental protection, and the prevention of public nuisance activities associated with cannabis cultivation, distribution and sales

Absent appropriate regulations and standards regarding the cannabis business activities, advertising and marketing, and accessibility of the product poses a potential threat to the public peace, health, and safety and impacts the quality of life and character of neighborhoods. On behalf of our coalition, please weigh these implications for the health of our community, and consider the lessons learned from other states as it is our responsibility to protect our youth, and their future.

Erin Tegge, AM,
LSW Project
Director
