

Brush And Tree Trimmings

Bundled brush is collected at no additional charge.

- Brush must be bundled and tied with biodegradable twine or string in distinct piles that are no longer than 4 feet in length, 2 feet in diameter and weighing no more than 60 pounds with no individual branch being greater than 3 inches in diameter.

Christmas Trees

Christmas trees will be collected the first two weeks of January at no additional charge from all residential households. All decorations, stands, tinsel/garland, etc. must be removed from trees in order to be collected. Do not place trees in plastic bags. Trees in plastic bags will not be collected.

Larger Bulk Items (i.e., couch, small tables, etc.)

- One bulk item will be collected per week at no additional charge.
- Maximum 45 pounds weight limit.

Disposal of Additional Refuse & Bulk Items

Contact Waste Management directly to arrange special pickups or to order a dumpster. For more details, contact Waste Management at (800) 964-8988. Full payment will be required at the time you schedule the bulk pickup. Smaller items can be placed inside of a can or cart.

Appliances

State law prohibits the disposal of appliances in landfills. A separate truck will collect appliances on your regularly scheduled pickup day. Please visit your local website at home.wm.com/Northfield or call (800) 964-8988 to schedule a pickup at \$45.00 per item.

- Washer
- Furnace

Do you have old electronics in your home? Used motor oil? Old cans of paint? Used batteries?

To dispose of home-generated special materials and schedule a collection at your home, contact us in one of these three ways:

- Go to WMATYOURDOOR.COM
- Call (800) 449-7587 - We're available 7 a.m. - 7 p.m. CST M-F.

Waste Management offers convenient service in your community for residents to properly dispose and recycle home-generated special materials- safely, easily, and responsibly. These items may include paints, household cleaners, compact fluorescent lamps (CFL), automotive products, garden chemicals, batteries, electronics, and more.

The materials accepted through this program include:

Automotive Products

Antifreeze, batteries, brake fluid, motor oil and filters, fuels, and more.

Garden Chemicals

Fertilizers, insect sprays, herbicides, pesticides, and weed killers.

Paint Products

Paint, caulk, glue, stain, stripper, thinner, and wood preservative.

Household Cleaners

Ammonia, heavy-duty cleaner, rust remover, tile/shower cleaner, upholstery cleaner, and more.

Electronics

Computer, monitor, keyboards, MP3 players, televisions, DVD/CD players, tape players, VCR, cell phones, desktop printers, fax machines, and microwaves.

Mercury containing items

Batteries, compact fluorescent lamps, fluorescent tubes, thermometers, and thermostats.

Sharps, needles, and lancets

Must be placed in a sealed, rigid, puncture resistant container.

We do not collect ammunition, explosives, asbestos, tires, or any materials in unlabeled or leaking containers. For program details, contact (800) 449-7587.

Village of Northfield

2022-2023 Solid Waste
& Recycling Collection Guide

Dear Northfield Resident:

The Village of Northfield provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to Northfield residents. Waste Management pledges to continue the same high quality service we have provided in the past.

Visit home.wm.com/Northfield to learn more about your local waste and recycling services, holiday schedules, and up-to-date recycling education!

Residential Services

The Village of Northfield contracts with Waste Management to provide trash, recycling and yard waste/compost collection services to residential households, institutional, commercial, and industrial units. Weekly curbside service is provided to single-family homes, duplexes and most multi-family properties (i.e. condominiums and townhomes).

General Guidelines

- All solid waste materials must be placed at the curb for collection by 7 a.m. the day of your scheduled collection, but not before 5 p.m. the day before your pickup. Please keep in mind that separate trucks collect trash, recycling, yard waste and appliances, so each of these materials may be picked up at different times of the day.
- All containers and any solid waste materials that are not collected must be removed from the curb by 8 a.m. the day after your scheduled collection.
- Rented carts are the property of Waste Management and are not to be removed from the property.

Service Inquiries

Residents with questions or service-related issues regarding the solid waste program may visit the local website at home.wm.com/Northfield or contact Waste Management directly Monday through Friday 7 a.m. – 5:30 p.m. at (800) 964-8988.

Holiday Schedule*

New Years Day	Independence Day	Thanksgiving Day
Memorial Day	Labor Day	Christmas Day

* Scheduled collections that fall on or after an observed holiday will be delayed by one day the week of the holiday only.

Curbside Collection Services

Unlimited household trash in green Waste Management carts.

- Yard Waste (optional service) in biodegradable paper bags and bundled brush (April – December).
- Compost (optional service) in Waste Management carts (April - December).
- Unlimited recycling in green recycling carts with yellow lids only.
- Christmas tree collection (1st two weeks of January).

Village Of Northfield Collection Schedule

Thursday - Solid Waste and Recycling.

Monday - Yard Waste/Compost and optional second (per week) solid waste pick-up.

2022 Service Rates and Holiday Schedule*

1x Week Curbside with Recycling (basic service)	\$18.14/month
2x Week Curbside with Recycling	\$30.74/month
1x Week Backdoor with Recycling	\$44.48/month
2x Week Backdoor with Recycling	\$77.68/month
Yard Waste Service (per season April - December)	\$108.77/year
Composting Service (per season April - December)	\$7.96/month
Composting & Yard Waste 96/35 gallon cart rental	\$2.25 cart/month
Appliance Pick-up	\$45.00/per item

*Waste/Recycling rates include a \$0.10 per month fee to cover disaster refuse collection.

Garbage

Each residence may place an unlimited amount of household refuse out for collection each week in Waste Management carts.

- Do not mix refuse with yard waste. Cans containing mixed refuse and yard waste will not be collected.

Yard Waste

Yard waste is collected weekly April 1 - December 7 for subscribers only.

- Yard waste must be placed in biodegradable brown paper bags (max 33 gallons and 45 pounds) for collection. Yard waste placed in plastic bags will not be collected.
- Yard waste collection services (except Christmas trees,) are not provided to condominium and townhome units.

RECYCLE RIGHT

To learn more visit
wm.com/recycleright

Great things happen when Northfield residents Recycle Right. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved.

- Recycling will be collected every week in your green cart with yellow lid unless you choose 2X/week waste and recycling.
- Containers should be empty and free from food and liquid.
- Do not bag your recyclables - empty recyclables directly into your cart.

Recycling will be collected every week:

Always Recycle

Plastic Bottles & Containers

Food & Beverage Cans

Glass Bottles & Containers

Flattened Cardboard & Paperboard

Paper

Do Not Include In Your Recycling Container

NO Food or Liquids

NO Loose Plastic Bags, Bagged Recyclables or Film

NO Foam Cups & Containers

NO Green Waste

NO Batteries
Check local drop-off programs for proper disposal

NO Clothing, Furniture & Carpet

Curbside Composting Program

Waste Management is offering a voluntary subscription-based curbside composting program to all homes, businesses, and community organizations. Compost collection will be every Monday during the yard waste season from April 1 to December 7. Collected compostable materials are combined with yard waste and taken to the same facility for disposal; however, unlike yard waste, compostable material must be put into a Waste Management cart due to Health Department regulations and animal concerns. Composting organics together like food waste, yard waste and used paper products reduces greenhouse gases, diverts materials from landfills and creates rich soil additives.

Residents can choose from two options for curbside composting:

Composting Only

- Participants will receive a 35-gallon Waste Management cart.
- Service is \$7.96/month.

Composting AND Yard Waste

You can continue using paper bags or other containers for your yard waste, or can combine yard waste with your compost in a cart.

- You will continue to pay \$108.77 for a season of yard waste service, plus an additional \$2.25 per month to include composting.

Carts will be delivered after subscribing. If you would like to have the cart picked up by Waste Management at the end of the season, there will be a \$40 collection fee, with an April redelivery fee of \$40 fee. If you would prefer to keep the cart during the off-season, you can do so without any service fees.

How should I handle my food scraps?

Food scraps that are put loosely into your cart may attract unwanted pests.

Paper bags or newspaper are most commonly used to wrap scraps.

All clean paper and flattened cardboard and paperboard should continue to be disposed of in your recycling cart. Paper products that have food remnants on them (pizza boxes, used paper towels, etc.) should not be recycled and should instead be composted.

How do I sign up or get more information?

To enroll in the program and request a cart, contact Waste Management at (800) 964-8988. For any other questions, contact the Village at (847) 784-3554 or mdefeo@northfieldil.org.
