

The Village of Northfield

Northfield Business Impacts – COVID -19 **Updated April 7, 2020**

In response to COVID-19, there have been restrictions put on certain types of businesses and gatherings. All non-essential businesses are mandated to close through April 7. To help residents stay abreast of which essential entities are continuing to operate in Northfield, we have compiled the following list. This is a rapidly changing situation and this list will be updated regularly as new information is available.

Governmental Operations

- **Village of Northfield** - Police, Fire-Rescue, and Public Works emergency services are fully operational. The first responder teams are ready should an emergency arise. Administrative personnel will be working remotely. The Village Hall and other public buildings are closed until further notice. Anyone needing assistance is encouraged to call (847)446-9200 and team members will work to help you remotely.
- **Schools** – All public and private schools are closed until April 14.
- **Northfield Park District** – Closed until further notice.
- **Winnetka-Northfield Library** – Closed until further notice. Patrons can use the expansive digital library to download eBooks, audiobooks, read a newspaper, and stream music and movies from home.
- **North Shore Senior Center** – Closed until further notice. All social services, adult protective services, and North Shore Senior Options will continue to function normally.

Anyone who has additional or updated information on local business operations is encouraged to send them to mdefeo@northfieldil.org.
