

Update from the Winnetka-Northfield Public Library District

Northfield Building Improvements Beginning April 26

The Northfield Branch will be undergoing some building improvements beginning Monday, April 26 and continuing through Saturday, June 5. During this time, the Northfield Branch will have temporarily reduced hours to allow the work to be done while also maintaining public access to materials. The Branch will be open from 1pm-6pm Monday-Friday and 10am-6pm on Saturdays.

As the improvements are completed portions of the collection will be inaccessible. Throughout this process patrons are welcome to continue to place holds for pickup inside the building or via curbside service.

We look forward to celebrating the completion of this project with an open house for the community on Saturday, June 5 from 1-3pm.

Don't Make Us Ask, Wear A Mask!

Masks are required to enter the library for everyone ages 2 and up, including individuals who have been vaccinated.

If you are unable to wear a mask, we will be happy to provide accommodations so that you may still access our services from outside the building. If you have questions, please feel free to contact us at 847-446-7220.
